

"Mustard Seeds" is alternative rock band from Labin, Croatia.

Their mixed music styles are presented through their work.

Vocal/Text writer/Author Dražen Antonio Balaban,

Guitarist/Author Mario Načinović, &

Drummer/Musical arrangement Toni Načinović

Band got together even before 2012 but was formed on March 27 2015. as Mustard Seeds.

They are already known in local metal scene with songs such as

"Internal Terror" and "Shoot the sorrow" from previous band "Another decade".

Within a year of work in this composition, "Mustard Seeds" has released their first album , which was already two days later nominated for "GORIM"2016 of "Metalkonoba Opatija".

Among the nominees are the bands "Bad Blood", "Infernal Tenebra" and "Speedclaw".

The album was met with very positive reviews so far.

"Rock - metal genre with melodic riffs and triple vocal harmony

makes this album very interesting from the first listening" Radio Labin for "It's Like Hypnosis" album.

"interesting shit, not boring keep up" Chuck Mosley ex"Faith no more" vocal.
